

## SPONSORSHIP PROGRAM

*NH Healthcare Workers for Climate Action works at the intersection of climate and healthcare. As a grassroots nonpartisan organization, we are mobilizing healthcare workers and the public in support of climate solutions to improve health for all. Our interdisciplinary teams of physicians, nurses, social workers, community leaders, students, climate activists, and more have come together to build a climate and health movement in our state.*

*Since the summer of 2021, we have grown to over 2,700 subscribers that follow our work and engage in our programming and have about 150 active volunteers engaged in the daily work of the organization. With 37 affiliate organizations around the state and country, we are continuing to grow and expand our reach. Our educational webinar series with local and national experts has reached an audience of 1,500; our Speaker's Bureau has presented to over 100 community groups.*

*NH Healthcare Workers for Climate Action hopes you, too, want to act on climate change and join us as one of our sponsors. For your investment at one of the sponsorship levels below, we will help raise your brand by:*

Sponsorship Level	Benefits of Sponsorship
Platinum -- \$1,000	<i>Sponsoring our webinar series for three months. Your company or organizational logo and brief description will be prominently placed on 1) our website, 2) on each of our webinar announcements and at the beginning and end of each webinar, 3) in our bimonthly newsletter, <u>NH CHAT</u>, and 4) your company will be featured in an article in one issue of NH CHAT.</i>
Gold -- \$750	<i>Sponsoring one webinar, one of our educational events or our Annual Meeting. Your company or organization will receive recognition at the beginning and end of the webinar or event that you sponsor, plus it will be included in any promotion for that event.</i>
Silver -- \$500	<i>Sponsoring three newsletters. We will list your company and its logo in the three issues of the newsletters that you sponsor.</i>
Bronze -- \$250	<i>Sponsoring one of our newsletters. We will list your company and its logo in the issue of the newsletter that you sponsor.</i>

*All sponsors will be featured on the "Our Sponsors" webpage on our website.*

*Special sponsorship opportunities will exist during the year that we will promote to organizations and companies.*

*To learn more about how you can become a sponsor and help us find solutions to climate change, please contact Emily Thompson, Director of Operations, at [ethompson@nhclimatehealth.org](mailto:ethompson@nhclimatehealth.org) or 603-714-1994.*
